

Instructions: As required by Oregon Senate Bill 710, adopted during in the 2021 regular session, quarterly reports must be completed and submitted to the Children's Care Licensing Program (CCLP) regarding restraints and involuntary seclusions of children in care. Reports must also be posted on the Child Caring Agency's website, if applicable, and must be provided to any member of the public upon request.

Submit reports to cclp.licensing@dhsoha.state.or.us.

Agency Name	Connections365
Site or Program Name	Continuum
Reporting time frame (indicate which	1/1/24 - 3/31/24
quarter in months and year).	
Total number of children served by	3
CCA during reporting time frame	
Total number of incidents involving	0
restraint.	
Total number of incidents involving	0
involuntary seclusion.	
The total number of incidents involving	0
restraint that resulted in reportable	
injuries.	
The total number of incidents involving	0
involuntary seclusion that resulted in	
reportable injuries.	
Total number of involuntary seclusions	0
in a locked room.	
Total number of rooms available for	0
use for involuntary seclusion.	
Description of the dimensions and	0
design of the seclusion rooms.	
Total number of children in care	0
placed in restraint.	
Total number of children in care	0
placed in involuntary seclusion:	

Total number of children in care who were placed in a restraint than three times during the reporting period.0Total number of children in care who were placed in involuntary seclusion more than three times during the reporting period.0A description of the steps the program has taken to decrease the use of restraint and involuntary seclusion.0Number of incidents in which an individual who placed a child in care in a restraint was not certified or trained in the use of the type of restraint used, including individuals whose certification or training was expired at the time of the restraint or seclusion0Number of incidents in which an individual who placed a child in care in a restraint or training was expired at the time of the restraint or seclusion.0Number of incidents in which an individuals whose certification or training was expired at the time of the restraint or involuntary seclusion used, including individuals whose certification or training was expired at the time of the restraint or involuntary seclusion used, including individuals whose certification or training was expired at the time of the restraint or isolated a child in care in a restraint or involuntary seclusion was not certified or trained in the use of the type of restraint or involuntary seclusion used, including individuals whose certification or training was expired at the time of the restraint or isolated a child in care in a restraint or involuntary seclusion was not certified or trained in the use of the type of restraint or involuntary seclusion used, including individuals whose certification or training was expired at the time of the restraint or seclusion.

Demographic Characteristics of the children in care who the program placed in a restraint or involuntary seclusion, including race, ethnicity, gender, disability status, migrant status, English proficiency and status as economically disadvantaged, unless the demographic information would reveal personally identifiable information about an individual child in care. Indicate the number of children who experienced restraint or seclusion who match each of the criteria listed below:

Race/Ethnicity:	Total Number of Children
American Indian or Alaska Native	1

Asian	
Black or African American	2
Hispanic (any race)	
Native Hawaiian	
Other Pacific Islander	
White	
Other	
Unable to determine	

Gender:	Total Number of Children
Male	3
Female	
Transgender	
Non-binary	
Agender/No Gender	
Questioning	
Refused to Answer	

Disability Status:	Total Number of Children
Disabled	
Non-Disabled	3

Migrant Status:	Total Number of Children
Migrant	
Non-Migrant	3

English Proficiency:	Total Number of Children
English is primary language	3
English is not primary language	

Economic Status:	Total Number of Children
Economically Disadvantaged	3
Not Economically Disadvantaged
